

Scope Ideas

By [Kirsten Merryman](#) on Thursday, 28 January 2016 at 12:32

Let's create a list of Scope ideas! What would you be interested in hearing about on Periscope?

- Introductions: Tell us who you are, who you homeschool, and where you are in the journey
- Curriculum: Do a demo on one of your lessons; let us know how it works at your house
- How you started homeschooling
- What's in your book basket
- How you plan your homeschool day/week/quarter/year
- What morning time looks like at your house
- How you do Brave Writer
- Homeschooling preschoolers/elementary ages/middle school/high school
- How to manage multi-age learning going on in the same house
- How you do Awesome Adulting in the midst of your homeschool life
- How you homeschool when no one feels like homeschooling
- Report on your field trip
- Take us for a walk around your house/yard/neighborhood
- How you manage a job and homeschooling
- How you homeschool a child with special needs
- Share what you (the adult) are reading
- Share your struggles
- Share something that's going well in your homeschool
- Homeschooling through tough times
- Helping high schoolers spread their wings
- How to follow the interests of your kids
- How to make a _____ (hands-on activity)
- Balancing life when some kids are home and some are in school
- Spicing up your homeschool/breaking out of the rut
- How you stay organized
- Knowing when it's time to ditch what isn't working
- Things you don't do in your homeschool
- How to incorporate more ____ (whatever subject gets short shrift in your house) into the day
- How you celebrate a holiday or a season in your homeschool
- How you use technology successfully in your homeschool
