

The Third Way

The goal: **BOTTOM LINE: is LEARNING**

The Goal is learning.

Sometimes really invested parental guidance is needed. There has to be BUY in from the learner, upfront is better than near the end. (See what they are showing as a curiosity and find my way into it, and supply what they might need. The resources, the maturity, good idea, adult resources.)

BE really clear that when our kids have an interest, come along side. **BUT DON'T** drown the interest.

Let the kids be the guide, **NOT EVERYTHING IS A TEACHABLE MOMENT.**

MYSTERY
SURPRISE
RISK
ADVENTURE

ENCHANTMENT

EXPERIENCE and ENJOY and LOVE

CONFLUENCE: an act or process of merging. Sometimes it's the parent, sometimes it's the kids.

Sometimes you need to **CARE** less to **ACCOMPLISH MORE.**
